Supplemental Terms & Conditions for Specific Materials

These Supplemental Terms for Specific Materials contain terms applicable to certain Materials. You may not have access to all of the Materials referenced herein.

AGRICOLA Database

The AGRICOLA Database is made available under an agreement with the National Technical Information Service. The information contained therein is compiled and distributed by the National Agricultural Library of the Department of Agriculture of the United States of America. It contains copyrighted material. All rights reserved (2005).

American Economic Association Database

EconLit is made available under an agreement with the American Economic Association, which owns the copyright in that database.

American Geological Institute Databases

GeoRef and GeoRef in Process are made available under an agreement with the American Geological Institute, which owns the copyright in those databases.

American Meteorological Society Database

Meteorological and Geostrophysical Abstracts (MGA) is produced by CSA pursuant to an agreement with the American Meteorological Society (AMS). AMS owns the copyright in MGA.

ASHP Database

International Pharmaceutical Abstracts is made available under an agreement with the American Society of Health-System Pharmacists, Inc. ("ASHP"), which owns the copyright in that database.

BIOSIS Database

Zoological Record Plus is made available under an agreement with Biological Abstracts, Inc. ("BIOSIS"). It is copyrighted by BIOSIS and Zoological Society in London. All rights reserved. Material retrieved from Zoological Record Plus may not be used for commercial resale in any form or medium (electronic, paper, photographic film or otherwise) and the information derived from Zoological Record Plus is for Customer's use only. Information has been obtained by BIOSIS from public sources believed to be reliable. BIOSIS makes a diligent effort to provide complete and accurate representation of the bioscientific literature in its databases and services. However, BIOSIS does not guarantee the accuracy, adequacy, or completeness of any information and BIOSIS MAKES NO WARRANTIES OR REPRESENTATIONS OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE. BIOSIS disclaims all liability for errors and omissions that may exist and shall not be liable for any incidental, consequential or other damages (whether resulting from negligence or otherwise) including, without limitation, exemplary damages or profits arising out of or in connection with the use of this database. Errors or omissions may be reported to Biological Abstracts, Inc., Two Commerce Square, 2001 Market Street, Suite 700, Philadelphia, PA 19103-7095. BIOSIS is a registered trademark of Biological Abstracts, Inc.

Copper Development Association - Copper Technical Reference Library

The CDC (Copper Data Center) Technical Reference Library is made available free of charge under an agreement with the Copper Development Association Inc., which owns the copyright in that material. The Copper Technical Reference Library is a specialized file and part of the Materials Research Database.

Datastream Content Solutions, LLC ("DSCS")

All materials provided by DSCS ("DSCS Materials") are provided on an "as-is," "as-

available" basis, and DSCS expressly disclaims all warranties, including the warranties of merchantability and fitness for a particular purpose. DSCS makes no warranty of accuracy, currentness, completeness or continuous availability of DSCS Materials. The user assumes all risk of use of DSCS Materials.

DSCS shall not be liable for any loss, injury, claim, liability, or damage of any kind resulting in any way from (a) any errors in or omissions from DSCS Materials; (b) the unavailability or interruption of access to the DSCS Materials; (c) the content of DSCS Materials; or (d) any delay or failure in performance beyond the reasonable control of DSCS. The user's exclusive remedy for errors in DSCS Materials shall be for DSCS to use commercially reasonable efforts to correct errors. The aggregate liability of DSCS in connection with any claim arising out of or relating to DSCS Materials shall not exceed the monetary amount of actual direct damages, and such monetary damages shall be in lieu of all other remedies.

DSCS shall not be liable for any special, indirect, incidental, or consequential damages of any kind whatsoever (including, without limitation, attorneys' fees) arising in connection with the DSCS Materials, regardless of any negligence.

Earthquake Engineering Abstracts Database

Certain materials incorporated in the Earthquake Engineering Abstracts Database are Copyright © 1971-2003 The Regents of the University of California (REGENTS). All Rights Reserved. IN NO EVENT SHALL REGENTS BE LIABLE TO ANY PARTY FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, ARISING OUT OF THE USE OF THE DATABASE, EVEN IF REGENTS HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE. REGENTS SPECIFICALLY DISCLAIMS ANY WARRANTIES, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THE DATABASE IS PROVIDED "AS IS."

Elsevier Science Database

Plant Science (including Plant Science Backfiles), the databases created by Elsevier Science B.V., are copyrighted by Elsevier Science B.V., and all rights are reserved. Material retrieved from Plant Science may not be used for commercial resale in any form or any medium (electronic, paper, photographic film or otherwise) and the information derived from Plant Science is only for Customer's use. No part of the materials furnished or data retrieved may be copied in print or machine-readable or digital form or stored in a retrieval system, or transmitted in any form or by any means for any purpose without the prior written permission of Elsevier Science B.V., except that limited reproduction of no more than 5 (five) copies of printed output is permitted for use exclusively within Customer's organization only. Elsevier Science B.V. represents that Plant Science was

formulated with a reasonable standard of care and in conformance to professional standards in the field. Except with respect to the foregoing and as otherwise specifically provided in this document, ELSEVIER SCIENCE B.V. MAKES NO REPRESENTATIONS OR WARRANTIES EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO PLANT SCIENCE AND SPECIFICALLY DISCLAIMS ALL SUCH WARRANTIES AND REPRESENTATIONS. CONSEQUENTLY, ELSEVIER SCIENCE B.V. CANNOT BE HELD RESPONSIBLE FOR ANY DAMAGES ARISING FROM THE USE OF PLANT SCIENCE. IN NO EVENT WILL ELSEVIER SCIENCE B.V. BE LIABLE FOR CONSEQUENTIAL DAMAGES. No responsibility is assumed by Elsevier Science B.V. for any injury and/or damage to persons or property as a matter of (products or services) liability, negligence or otherwise, or from any use or operation of any methods, products, instructions or ideas contained in the material in Plant Science.

ERIC Database

The ERIC (Educational Resources Information Center) database is sponsored by the U.S. Department of Education.

FAO Database

Aquatic Sciences and Fisheries Abstracts ("ASFA") is made available under an agreement with the Food and Agriculture Organization of the United Nations (FAO), which owns the copyright in that database, on behalf of the ASFA Advisory Board.

Francis Database

The FRANCIS database is made available under an agreement with INIST DIFFUSION S.A., which owns the copyright in that database. Except as set forth in these terms and conditions, no part of this database may be reproduced or distributed in any form or by any means without the prior written permission of INIST-CNRS.

Index Islamicus Database

Index Islamicus is made available under an agreement with Brill Academic Publishers, which publishes the database under an agreement with the Cambridge University Library. The Cambridge University Library and Brill Academic Publishers own the copyright in that database.

International Monetary Fund Products

The Licensee and its Authorized Users may not (a) remove or alter the authors' names or

the International Monetary Fund copyright notices or other means of identification or disclaimers as they appear in the Licensed Materials; (b) systematically make print or electronic copies of multiple extracts of the Licensed Materials for any purpose other than copies permitted under provision 5; and (c) mount or distribute any part of the Licensed Material on any electronic network, including without limitation the Internet and the World Wide Web, other than Licensee's secure network.

Notwithstanding the provisions of 4 and 5(e), International Monetary Fund products are not available for Interlibrary Loan (ILL).

The International Monetary Fund's explicit written permission must be obtained in order to use all or any part of the Licensed Materials for any Commercial Use; distribute the whole or any part of the Licensed Materials to anyone other than Authorized Users, whether free of charge or for a fee; or to publish, distribute or make available the Licensed Materials, works based on the Licensed Materials or works which combine them with any other material.

Except as expressly provided in this Agreement, the International Monetary Fund makes no representations or warranties of any kind, express or implied, including, but not limited to, warranties of design, accuracy of the information contained in the Licensed Materials, merchantability or fitness of use for a particular purpose. The Licensed Materials are supplied "as is."

Notwithstanding any other provision of this Agreement, it is understood that the International Monetary Fund and its assets, property, income and its operations and transactions are immune from all forms of taxation. It is further understood that the International Monetary Fund, its property and its assets are immune from all forms of judicial process and that neither this Agreement nor the submission of a dispute to arbitration shall constitute a waiver of that immunity.

These additional terms are incorporated by reference into the ProQuest Electronic Product License Agreement. Except as provided in these supplemental terms, the terms and conditions of the ProQuest Electronic Product License Agreement shall govern the use of the International Monetary Fund Products, and the rights and protections of ProQuest shall be extended to the International Monetary Fund as a content licensor.

J. Paul Getty Trust Database

Avery Index to Architectural Periodicals is made available under an agreement with the J. Paul Getty Trust, which owns the copyright in that database.

London School of Economics Database

IBSS: International Bibliography of the Social Sciences is made available under an

agreement with the London School of Economics and Political Science, which owns the copyright in that database. Content is indexed using keywords that are copyrighted by the British Library of Political and Economic Science.

Modern Language Association of America Database

MLA International Bibliography, Directory of Periodicals and Thesaurus are made available under an agreement with Modern Language Association of America. They are the property of the Modern Language Association of America, and are proprietary to it. Access is provided only for reference purposes. Any other use including, without limitation, commercial use or exploitation, sale or sublicensing, of all or part thereof is strictly prohibited.

NASA Thesaurus

Customers that subscribe to the Aerospace Database also have access to the NASA Thesaurus Hierarchical Listing ("Thesaurus"); the Thesaurus may be used as a retrieval aid for the Aerospace Database. The NASA Center for AeroSpace Information created the Thesaurus and provided it to CSA for this use. There is a list of controlled, index terms (descriptors) unique to the Aerospace Database that are not in the NASA Thesaurus. To facilitate searching, CSA has merged these terms into the NASA Thesaurus and has identified them by adding a scope note beneath every such term that reads "Unique to Aerospace Database." Thesaurus data displayed as part of the Thesaurus Search feature may not be copied, downloaded or otherwise extracted. Requests for NASA Thesaurus data should be directed to the NASA Center for AeroSpace Information (help@sti.nasa.gov).

NCJRS Abstracts Database

The National Criminal Justice Reference Service Abstracts Database is made available under an agreement with the Department of Justice, which owns the copyright in that database. All rights are reserved. Use of the database is limited to the noncommercial, internal purposes of Customer's organization. Customer agrees that it will not copy nor license, sell, transfer, make available or otherwise distribute the database or any information contained therein to any entity or person, except that Customer may (a) make available electronic copies of the information internally; (b) allow its internal members to store, manipulate, and reformat the information; and (c) allow its internal members to make copies of the information, provided that such electronic and paper copies are used solely internally and are not distributed to any third parties. Customer shall use its best efforts to stop any unauthorized copying or distribution immediately after such unauthorized use becomes known. All information is provided "as is." The provisions of this paragraph are for the benefit of the Department of Justice and its information providers, each of which shall have the right to enforce its rights hereunder directly and

on its own behalf.

New York State Unified Court System Materials

The New York State Unified Court System ("UCS") does not warrant the comprehensiveness, completeness, accuracy or adequacy for any particular use or purpose of the information contained in its databases and expressly disclaims all other warranties, express or implied, as to any matter whatsoever. Neither the UCS, its courts, court related agencies or its officers or employees shall be responsible for any loss or damage caused by the use of the information contained in any of its databases.

NLM Databases

MEDLINE and TOXLINE are made available under an agreement with the National Library of Medicine, U.S. Department of Health and Human Services. Customers may not prepare publications from the NLM databases for distribution except as such rights may be granted directly by NLM. Customer may not duplicate, resell or redistribute the NLM databases. Some materials in the NLM databases are from copyrighted publications of the respective copyright claimants. Customer is solely responsible for compliance with any copyright restrictions and is referred to the publication data appearing in the bibliographic citations, as well as to the copyright notices appearing in the original publications, all of which are hereby incorporated by reference. Downloading is permitted for personal use only.

NTIS Database

The NTIS Database is made available under an agreement with the National Technical Information Service ("NTIS"). The NTIS Database is compiled and distributed by the NTIS, U.S. Department of Commerce. It contains copyrighted materials. All rights reserved. (2005)

Philosopher's Information Center Database

The Philosopher's Index Database is made available under an agreement with The Philosopher's Information Center. Downloads and printouts of The Philosopher's Index Database shall be limited to one thousand (1000) records per search. Downloads and printouts of search results are limited to one for personal use only or as permitted by the Fair Use Doctrine of the U.S. Copyright laws. No commercial use or distribution of the search results is permitted without the express written consent of Philosopher's Information Center. The Philosopher's Index database and all associated Records are copyrighted. Copyright ©, 1967 to 2005, Philosopher's Information Center. All Rights Reserved. The Database is provided "as is" without warranty of any kind. The Philosopher's Information Center does not warrant or guarantee the accuracy, reliability,

currentness, completeness, or otherwise of its contents. The Philosopher's Information Center acknowledges that the Database may contain errors, inaccuracies, and omissions, despite its best efforts to the contrary and does not warrant the Database to be otherwise. CSA is authorized to provide on-site and remote access to any Authorized User. However, appropriate security measures should be taken to prevent remote access by non-subscribing institutions or by unauthorized users. Hence, subscribing public libraries are prohibited from allowing remote access over the internet to (i) employees of non-subscribing corporations and (ii) students, faculty members, and staff members of institutions of higher education. Corporations and institutions of higher education are geographically separate sites and should take out their own subscriptions for the benefit of their employees and/or students. This prohibition does not limit use by patrons while in the public library.

Rapra Technology Limited Database

Polymer Library (formerly Rapra Abstracts) is made available under an agreement with Rapra Technology Limited, which owns the copyright in that database. The reduced educational license fee is only available for educational establishments on condition that the use of the database is limited to any student or persons authorized by the Customer for the purposes of the normal business of the Customer's organization, on the Customer's premises. Such use includes the following: (i) teaching; (ii) research; (iii) personal educational development; (iv) administration and management of the business of the Customer's organization; and (v) development work associated with any of the above. What is excluded is (i) consultancy or services leading to the commercial exploitation of the database; and (ii) work of significant benefit to the employer of students on industrial placement or part-time courses. Note: "commercial exploitation" is the use of the database for monetary gain either by the Customer or an individual. Where the database is so used this must be a matter for written agreement with Rapra Technology Limited. Rapra Technology Limited may allow such use in return for acknowledgement of use of the database and/or for an agreed fee.

RILM Database

RILM Abstracts of Music Literature is made available under an agreement with Repertoire International de Litterature Musicale, Inc. The database is copyrighted by the Repertoire International de Litterature Musicale, Inc. and RILM Abstracts. All rights are reserved.

Roll Call, Inc. (including Congressional Quarterly and FDCH Materials)

These materials are not legal transcripts for purposes of litigation.

Sage Publications Databases

Communications Abstracts and Criminal Justice Abstracts are made available under agreements with Sage Publications, Inc., which owns all right and title to the content in the databases.
